SPOKE TO ORGANIZED LABOR.

Mr. D. Douglas Wilson, International Vice-President, in the City.

Mr. D. Douglas Wilson, International vice-president and editor of the International Association of Machinists' Journal, addressed a representative body of mechanics last night in City Hall.

Two serious misfortunes handicapped Mr. Wilson and his meeting, keeping a good number of people from attending. First, Mr. Wilson wrote to Mr. E. L. Adams, business agent of the association, mailing the letter last Thursday, April 26, in Washington, D. C., notifying him that he would be in Portsmouth Wednesday, May 3, to address the members of Portsmouth Lodge of Machinists. The letter was delivered at Mr. Adams' address here May 2, and he being in attendance at the Democratic State Convention in the interest of the eight-hour law, did not get it until later in the evening, when he at once hurried to the Chesapeake and Ohio wharf, with a few members of No. 441, and welcomed Mr. Wilson to our city. This committee worked hard making arrangements for the meeting, and everything looked as though the meeting would be a very large one, but the weather man went back on the boys and answered the supplications of our neighboring truckers, to enable them to ship more strawberries next week.

At 7:30 Mr. Wilson was introduced and delivered a forcible address on "Organized Labor," which was received with marked attention and applause by his hearers.

Mr. Wilson will be shown around our city and environs by Mr. C. F. Monroe, who was delegated by Portsmouth Lodge No. 441, I. A. of M., to spare no expense in making his stay pleasant and enjoyable while amongst us.

Mr. Wilson leaves for Washington, D. C., this evening on the Washington steamer.

KENTUCKY DERBY

LIEUTENANT GIBSON WAS AN EASY WINNER.

(By Telegraph to Virginian-Pilot.)

Louisville, Ky., May 3.—Lieutenant Gibson, at 3 to 5, the good son of G. W. Johnson, showed this afternoon that the confidence placed in him by the talent had been fully justified, for he won the twenty-sixth Kentucky Derby as he pleased, taking three-quarters of a second off the track record for one mile and a quarter. This was Derby Day, truly characteristic in every respect. With sunshine overhead and a fast track under foot, the day was most auspicious for the successful derby that rewarded the efforts of the management of the new Louisville Jockey Club. The race was, in some respects, a disappointment. The promised driving finish failed to materialize, but for one reason—Lieutenant Gibson was so far superior to his field that they could not make a race of it.

Derby Day in Kentucky always adds new history to the State, for all the love that the Kentuckians have for horse flesh is given full sway on the occasion of the classic event, and it always means that the stand and the grounds adjacent thereto is to be taxed on the opening day of the spring meeting. The betting stand was one surging, moving mass of humanity, and the bookies were kept busy handling the bills which men fairly fought to get placed.

The derby was the fourth event on the card, and when the entries were finally posted it was found that Orontas and Benadiah had been scratched, leaving seven of the best colts in the West to contend for the honor.

Kentucky Farmer, Lieutenant Gibson, His Excellency, Highland Lad, Florizor, Thrive and Hindus came showing on the track in the order named, and each was in turn cheered as he paraded in front of the stand.

Starter Chinn had but little trouble in getting them away, and there was a murmur from the 25,000 people present, and all eyes were fixed on the seven colts as they came down to the stand.

When the bit of red bunting fell they were all in motion, and bunched closely, with Kentucky Farmer having a head, the advantage over Lieutenant Gibson, who was second. The positions remained practically the same as they traveled the first quarter, except that Thrive moved up a little nearer the front, while Lieutenant Gibson had been sent to the head of the procession by Boland. When they reached the first quarter, after passing the stand, Lieutenant Gibson came showing on the track by some three lengths with Kentucky Farmer second and His Excellency third. It was evident from the very fall of the flag that Boland, on Lieutenant Gibson, was to make a runaway race of it.

At the half Lieutenant Gibson was going with an even, steady stride, four lengths in front of Highland Lad, who had moved up to second place, and who was a head in front of His Excellency, three lengths in front of Florizor, while Kentucky Farmer, Thrive and Hindus were strung out for a dozen lengths in the order named.

As they rounded the upper turn and came into the stretch Gibson had not relinquished more than half a length. Florizor was second, a length in front of Highland Lad, his stable companion, with the Excelsior third.

But little change was made in the final run except that Thrive moved up to third place, while Highland Lad and His Excellency gave evidences of distress at the killing pace which Gibson maintained to the finish, for the twenty-sixth Kentucky Derby ended as it began, in a procession, with Lieutenant Gibson at the head and his field trailing. He passed under the wire winner by two lengths of daylight without having been touched, in the sensational time of 2:06.4. Florizor was second, half a length in front of Thrive, who was a length in front of Highland Lad, while His Excellency, Kentucky Farmer and Hindus were strung out in the order named.

The public had expected Lieutenant Gibson to win, and cheer after cheer went up when Boland dismounted the son of G. W. Johnson, and a wreath of American Beauties was entwined about the brown colt's neck.

Four favorites won to-day. Summary: First race—Five and one-half furlongs—The Ruse (even) won, Mr. Phinix (3 to 1 and 5 to 2) second, Charlie O'Brien (100 to 1) third. Time, 1:07.

Second race—Four furlongs—Ethel Pace (even) won, Queen Carnival (4 to 1 and 3 to 2) second, Fancy Wood (4 to 1) third. Time, 0:49.

Third race—Mile—Salvarse (4 to 1) won, LaMachus (3 to 1 and even) second, Lord Zeni (2 to 1) third. Time, 1:42.

Fourth race—Mile and a quarter, the Kentucky Derby—Lieutenant Gibson 117, Boland (3 to 5 and out) won, Florizor, 122, VanDuzen (4 to 1 and 5 to 1) second, Thrive, 125, Winkfield (5 to 1) third. Time, 2:06.4. Highland Lad, His Excellency, Kentucky Farmer and Hindus finished as named. Fractional time, half, 1:04.3; three-quarters, 1:13.4; seven-eighths, 1:26.4; mile, 1:40.2-5; mile and one-eighth, 1:52.4; mile and one-quarter, 2:06.4.

Fifth race—Four furlongs—Sard (6 to 5) won, The Auditor (20 to 1 and 8 to 1) second, Sam Lyons (40 to 1) third. Time, 1:49.

Sixth race—Six furlongs, selling: Grayless (8 to 1) won, Judge Wardell (even and out) second, Ishabinda (2 to 1) third. Time, 1:14.4.

The Nicaragua Canal.

This comparatively small strip of water will, when built, prove the link between prosperity and many people. The farmers in the extreme East, as well as those in the extreme West, who have heretofore been kept poor by the exorbitant freight rates, will perhaps profit by it most of all. It will prove a blessing to humanity in general, improving the condition of the nation, as Hostetter's Stomach Bitters has that of the individual. The Bitters are for everybody, but particularly for those who do not possess health. There have been thousands of dyspepsia and indigestion cured by this medicine when cure seemed impossible. Nothing to equal this remedy has ever been discovered for ailments of the stomach, liver, bowels and kidneys. You will find that it will quickly cleanse the blood and sharpen the appetite. UTAH'S MINE HORROR.

LATEST PARTICULARS OF THE APPALLING DISASTER.

(By Telegraph to Virginian-Pilot.)

Salt Lake, Utah, May 3.—The latest dispatches from Scofield say that the extreme estimate of dead are now conceded to have been too large and that it is numerically impossible to place the loss of life at 300, as there were not that many men in the mines. The probabilities are that 250 will be about the total number of dead. Relatives of the victims continue to arrive from all the surrounding towns. There are not enough coffins in the camp to bury the dead and to add horror to the situation the bodies are rapidly decomposing and it has been suggested that cremation may have to be resorted to. There are fifty bodies for which no provision for burial has been made. A joint committee of Odd Fellows and Knights of Pythias spent the day among the dead, identifying members of their orders. They found about twenty of each order among the dead. The school children of this city have gathered a car load of flowers which will be sent to Scofield in a special car at their disposal.

Subscriptions for the relief of the sufferers are coming in from all over the state and the total now amounts to \$13,000.

John Kirton, one of the men brought out of the mine alive, died to-day. The body of Foreman Parmelee was found among the dead late this afternoon, his body being terribly mangled. A funeral train with bodies of dead will leave Scofield to-morrow morning for Salt Lake, Ogden and Colville and one body will go through to Springfield.

STANDARD OIL MAGNATE.

SEEKS RELEASE FROM CARE OF WIFE'S PROPERTY.

(By Telegraph to Virginian-Pilot.)

New York, May 3.—Henry M. Flagler, a Standard Oil officer, has asked the courts to relieve him as committee of the person and estate of his wife, Ida A. Flagler, who was declared an incompetent several months ago.

The application was made to Justice Freedman in the Supreme Court to-day. As a result the Justice has appointed Nathaniel Myers as referee to hear the testimony and determine whether Mr. Flagler shall be released from the commission. Pending the referee's report, Augustus H. Vanderpool has been appointed special guardian of Mrs. Flagler.

Mr. Flagler has also asked that Dr. Carlos F. MacDonald, the insanity expert, be appointed in his place. The referee Myers will also inquire into Dr. MacDonald's fitness for the commission.

Mr. Flagler states in his position that he has administered the estate of his wife in a satisfactory manner, and that the property belonging to her has increased in value under his administration.

Mrs. Flagler, according to the position, was first confined to a sanitarium in Westchester county, in 1895. Subsequently she was removed to his, then, country residence in Westchester county, in 1896 she was taken to Dr. MacDonald's sanitarium at Pleasantville, where she has been ever since.

Mr. Flagler asserts that he has decided to make his permanent home in Florida, and that he has no intention of returning to New York whatever. For this reason he asks to be released from the commission.

GOEBEL MURDER CASE.

PROSECUTING WITNESS CULTON CONCLUDES HIS TESTIMONY.

(By Telegraph to Virginian-Pilot.)

Frankfort, Ky., May 3.—W. H. Culton resumed his testimony in the Goebel murder investigation to-day. He stated that Governor Taylor authorized the witness to give Youtsey any amount of money desired if he would leave Kentucky.

At a conference in Lexington the Sunday before Goebel was shot it was decided that Representative Henry Berry, who had been unseated a few days before, should go to the House of Representatives next morning and take his seat and refuse to give it up.

Van Meter, his opponent, was to be in some way prevented from going to the hall that morning.

Caleb Powers, who was at the conference, telephoned to Governor Taylor at Frankfort two or three times in regard to the conference.

Culton said he did not know where Powers or Youtsey were when the shot that killed Goebel was fired. During the last talk he had with Youtsey the latter said the plan to kill Goebel had been abandoned. Culton had been asked by Taylor to ascertain what the witness in the contest knew, because he was a lawyer. To the prosecution Culton said he had told more on the stand than he had to any person except his father. His testimony then ended.

COUNCILMANIC TICKET.

Candidates For The Several Ward Selected Last Night.

The Ticket Named in Mass Meeting

—Mr. Goodman's Residence Burglarized

—Obsequies of Mrs. Tatem Death of

Mr. Thos. W. West—Briefs.

The mass meeting to nominate a citizens council ticket was held at the town hall last night and was largely attended despite the stormy weather. The meeting was called to order by Mr. L. Old and Mr. T. C. Humphries was elected chairman with the members of press, assisted by Mr. Old as secretaries.

The present councilmen were nominated with the exception of Mr. Roach, who withdrew his name and Hon. John M. Berkley was substituted. Captain Keeling declined a nomination at first. He said that he was heartily in sympathy with the town's progressive move, but thought he had served as long as duty demanded and preferred to decline in favor of some one else. The name of Mr. W. B. Shafer was then mentioned but he declined in favor of Captain Keeling. Mr. R. Lee Hardy in a few remarks
